2026 Meeder Target Withdrawal Portfolios & Meeder Funds Estimated Capital Gains Distributions

MEEDER

To assist shareholders with their year-end tax planning, estimated capital gains distributions for the Meeder Target Withdrawal Portfolios and the Meeder Funds contained within them are detailed below.

These estimates represent the gains realized by the funds from the sale of portfolio securities over the course of the year. Mutual funds are required to distribute net gains from these sales to shareholders each year. Except for shares held in qualified tax-deferred accounts, such as individual retirement and 401(k) accounts, shareholders are required to pay taxes on distributions. These estimates are provided as of November 3, 2026 and are subject to change through the date of payment.
